

The Schoolhouse Children's Museum's Teen Volunteer Program, the **Schoolhouse Squad**, offers teens, ages 15 through 17, the opportunity to build leadership and career skills for future endeavors.

Our teen volunteers assist staff in preparing and helping with hands-on activities for classes and special events, help guide school groups, explain exhibits to our visitors, reset display props, and help with Children's Birthday Parties and seasonal activities and events...

Join us and "bring learning to life"!
