

**Sensational
Story 'n More**
at the
Schoolhouse Children's
Museum

I'm going to **Story time**
at the Schoolhouse
Children's Museum!

At the Museum there are lots of places to play! I can play downstairs and I can play upstairs too.

There are also fun classes I can go to in the Classroom

where things are always changing – each week there are new things to explore and fun things to try!

On special days, at a special time,
I can go to **Story Time** in the Classroom!
I can listen to a story
and afterward, I can
have fun making
things.

I can climb up the stairs or I can take the elevator to go upstairs and into the Classroom. My caregiver will stay with me.

I may need to wait near the Classroom door until the Teacher opens it and then I can go in.

I see a big green chair and a round rug that I can sit on or I can sit in a chair. Lots of other children will come in too and when everyone is seated, the teacher will read us the story.

There may be lots of other children there too and if it gets too noisy my caregiver can take me outside the classroom to a quieter area.

I see tables with fun supplies that I will be able to play with *after* I listen to the story. When the teacher says it is time, I can sit at a table with my caregiver and the teacher will bring me the supplies to have fun with.

I might need to be patient and wait my turn or share with other children.

When **Story Time** is over, I can play downstairs and I can play upstairs too.

I had fun at the Museum
and learned lots of
fun things in
Story Time!
